HIGH SCHOOL NOTES  
By Burt Johnson.

Principal Galbraith is extremely busy recording vaccination certificates for High school students. He has been working on this for the past several days.

Friday afternoon Rev. Dobson, of the Presbyterian church gave a short snappy talk on the subject "Where Are You Going?" He asked that everyone, while still young should make a decision as to what their vocation should be in future years.

The Red Cross Christmas Seal campaign has been launched in the schools. Much interest is being shown especially in the grade schools. The anti-tuberculosis drives in the past has cut the death rate of the white plague by one-third within the last ten years. It is one of the best investments you can subscribe to. Help all you can.

A fair representation of high school students heard the sermon at the Methodist church preached by Rev. Shaddrick. Rev. Shaddrick prepared this talk for the high school pupils.

All students have handed in certificates of vaccination except two, and only one of these had to be asked to go home. The school authorities are highly pleased by the attitude taken by the parents.

An assembly was held Monday afternoon to celebrate the victory of the football team. A speech was made by Mr. Engleman and short talks by Burl Henderson, Burt Johnson, Milton Reynaud, Tom Steele, Miss Mills and Miss Donahue.

## FINE MONDAY NIGHT MEETING AT BAPTIST CHURCH

The most spiritually powerful service yet held during the series was held last night when the evangelist preached a thrilling sermon on heaven and Mrs. Dr. Jones sang most sweetly and touchingly "Face to Face". There were three confessions and a number of others interested.

The Junior High School will be our guests tonight. There will be special music and good chorus singing and the preacher will have for his subject "God's Universal Call". All are invited. These meetings are for you. Come and enjoy them.

## GOOD HEALTH
